WHO'S WHO IN HOMEBUILDING

As the calendar year comes to a close, we take a look at the best and the brightest in the dynamic fields of residential building, land development and planning. These industry luminaries, from A to Z, answer the question: "How will you change the way you do business in 2007 and beyond?"

Jaimi Julian Thompson

president

Artisan Design Group

Thompson has worked in the new residential design center industry for the past 18 years with national, regional and local builders, design centers and flooring subcontractors, as well as manufacturers and suppliers servicing the new-home industry.

“ADG will continue to innovate our offerings to assist our clients in differentiating themselves in the marketplace. Differentiation is the key to convincing consumers to come off the sidelines in the current climate.”
